Grief Support Groups																
Mannen	Gytha		Adventist Health Home Health & Hospice Care (707) 961-4651	Fort Bragg						Hospice is a special kind of service that provides compassionate, supportive care for patients with life-limiting illnesses. The goal is not to administer curative treatment, but to provide comfort and care to patients who wish to live out the remainder of their lives on their own terms. Hospice focuses on preserving the dignity and privacy of the patient while providing relief from the symptoms of their illness.	Medicare, Medicaid and MediCal cover hospice services, and many private insurance companies also include coverage for hospice
